In the Matter of

ADJUSTMENT OF RATES FOR WHOLESALE	)	
ELECTRIC POWER TO MEMBER COOPERATIVES	)	CASE NO.
OF EAST KENTUCKY POWER COOPERATIVE,	)	8648
INC.	)	

O R D E R

On January 24, 1983, J. C. Wells and Sons, Inc., Wood Products, Inc., Harold White Lumber Company, Holiday Inn, Fleming Wood Products, and B & W Pallet Company, Inc., Morehead, Kentucky, by counsel, filed their Motion to Intervene in the above case. Among other things, the Motion states that these customers use large amounts of electricity, that a rate increase could affect their operations and consequently the amount of electricity sold by the distribution cooperatives with an ultimate impact on the rates of other consumers.

The Motion further states that some of the customers did not receive notice of the filing by East Kentucky Power Cooperative, Inc. in order to timely file the Motion to Intervene (807 KAR 5:011, Section 8 requires that a motion to intervene shall be submitted within 30 days after receiving notice of a proposed rate change) and that, in any event, 807 KAR 5:011, Section 13 provides that in special cases, for good cause shown, the Commission may permit deviations from its regulations.

The Commission, having considered the Motion and being advised, is of the opinion and finds that good cause has been

shown, that a deviation from 807 KAR 5:011, Section 8 should be permitted, and that the Motion should be sustained.

IT IS THEREFORE ORDERED That the Motion to Intervene be and it hereby is sustained.

Done at Frankfort, Kentucky, this 2nd day of February, 1983.
